Cambridge	Understand challenging messages from people who share their interests and opinions. Write about their daily life, an event in the past or invent a story in simple phrases and sentences. Have a medium/long conversation with friends about interesting topics. Make plans with people, such as what to do, where to go, and when to meet, organise a vacation. Give detailed practical instructions on how to do something they know well. Identify the main points of a lesson, a recorded message, public announcement. Express likes and dislikes in familiar contexts using simple language, and express opinions in familiar contexts and topics (books, music, films). Practiced full simulations for the reading, writing, listening and oral components.
